

Ref.: Document # 6516182728

**Thomas A. Cook
4375 Bellinger Hollow Rd.
Corning, NY 14830**

Please correct the document on page 5 as follows:

“There is no question that all emissions of Part 15 devices can be completely be eliminated, but it is the nature of the interfering signal.”

To:

“There is no question that all emissions of Part 15 devices can never be completely eliminated, but it is the nature of the interfering signal.”

I regret the error.

Respectfully,

Thomas A. Cook
